Build Better Writers with NoRedInk

An adaptive writing curriculum for grades 5-12

Engage All Learners

Keep students learning with exercises generated from their favorite celebrities and interests.

Assess and Address Foundational Skills

Use diagnostics to provide differentiated, adaptive practice on >1,000 grammar, mechanics, usage, and conventions skills.

Help Students Craft Essays

Guide students step-by-step as they independently draft and revise essays across multiple genres.

See Growth on Standardized Assessments

Schools using NoRedInk Premium see improved scores on the MAP® Language Usage Test, the SAT®, ACT®, state assessments, and more.

NoRedInk meets "allowable use" criteria for federal funding:

✓ Assesses and addresses learning loss

✓ Differentiates learning for Title I, English learners, and students with disabilities

✓ Responds to students' academic, social, and emotional needs

✓ Supports remote, hybrid, after-school, and summer learning programs

✓ Evidence-based, standards-aligned curriculum

NoRedInk is used in over 60% of US school districts.
